

Seattle Light Rail Directions

To the Mayflower Park Hotel from SeaTac Airport

From the terminal, cross the driveway via the glass walking sky bridges located one level above baggage claim and one level below ticketing to the 4th level of the parking garage.

Follow the signs to the Light Rail, walking north along the airport parking structure to the light rail station.

This is approximately a 7 to 10 minute walk, about 600 yards.

Enter the station and purchase your ticket for the light rail (cash or credit card) from the machine on the first level and proceed to the second level to catch the train North bound to Seattle.

The train runs every 7 minutes in peak time and every 12 minutes in off time. The ride is approximately 38 minutes.

The ticket arrangement is on the "honor system" so you may not be asked to show one. However, if you are asked and you do not have one the fine can be extensive.

Ride the train to the "Westlake Center" station, underground in downtown Seattle.

Exit the train, ride the escalator or elevator one level up. Follow the signs for Macy's and then ride the escalator or elevator up to the street level.

Once on the street level (you will be on Pine Street) turn left on Pine Street, walk to the corner, turn left on 4th Avenue and walk one block to Olive Way. Turn right on Olive Way. The hotel entrance will be a few steps away, across from Macy's, at 4th Avenue and Olive Way.

Fare is \$3.00 per adult, one way.

From the Mayflower Park Hotel to SeaTac Airport:

Exit the hotel from the 4th Avenue entrance.

Once outside turn left and walk along 4th Avenue 1 block to Pine Street.

At Pine Street turn right and cross the street (4th Avenue).

You will see Macy's Department store ahead on your right.

Continue along Pine Street just past the entrance to Macy's where you will see the entrance to the Underground Transit Tunnel.

Take the escalator or elevator down one flight to the mezzanine level where you will find the ticket kiosk.

Purchase your tickets and then continue down one more flight to the South bound platform area.

Board your train here to SeaTac Airport.

Fare to the airport is \$3.00 per adult, one way.
